To: River's Edge Marina Boat Storage Customers,

With boating season coming to a close, it is time to prepare your boat for the winter months. Winterizing your boat can prevent very costly damage from freezing water in your engine and out drive. River's Edge Marina is prepared to provide this service for you.

Our standard program **includes:**

- Cooling system drainage or Anti Freeze Addition
- Disconnect Battery Terminals
- Engine Oil and Filter Change (Inboard/Outboard)
 - Change Gear Lubricant
 - Add Fuel Stabilizers to tank

Storage Customers Only: Take advantage of our
SPRING START UP SERVICE.

Simply give us 5 business days and its Free* (up to a \$50.00 value).

*When you winterize with us and give 5 business day notice

Confirm your order by checking the appropriate spaces, Sign & returning
